We recognize people from other services, but can't put faces with names. Help is on the way!!!... Olan Mills will be taking portraits of our congregation for a new picture directory on April 22, 23 from 3pm to 9pm and April 24 from 10am to 5pm. There are a few slots left on the sign up sheets in Henry Hall or you can sign up online at www.signup.olanmills.com and use our church phone number – 7034373790 as your password. St. Timothy's Mission

As people of God we joyfully worship God, spread the Word of God's love, treasure all people, and serve others everywhere in the name of Jesus Christ.

Therefore, with God's help, we open our doors to everyone, open our hearts in worship, open our eyes to the Spirit's gifts, and open our arms to embrace God's work.

The Second Sunday of Easter

**8:00 am Holy Eucharist – Rite I
9:30 am Holy Eucharist – Rite II
11:00 am Holy Eucharist – Rite II**

Thank you for gathering with us as part of the community of faith this morning at St. Tim's and sharing in our worship. It is a joy to have you worship with us and we sincerely hope you find it a blessing as well. This worship service continues a long tradition of corporate prayer in which we bring all our thanksgivings and concerns before God. Together we join in the hymns and prayers. We gather around the Lord's Table to receive the bounty of God's blessings. That is the great privilege of our faith. If you are a newcomer or visitor, please make yourself known to the clergy and members of the congregation. If you are not familiar with the Episcopal services, please feel free to ask someone near you for assistance during the service. So that we may respond in a helpful way, please fill out a Visitor's card (in the pew racks) and place it in the offering plate or give it to an usher or member of the clergy.

Nursery

All children are welcome to stay with parents in the Sanctuary during worship. However, for parents of children ages 0-2.5 years who want nursery care, we have a well-equipped and professionally-staffed nursery at the end of the hall nearest the Sanctuary. Each child brought to the nursery is given a number; only the parents of the child can take the child from the nursery. If a parent is needed during worship, the child's number will appear (in red LED's) on the black panels beneath the hymn boards on both sides of the Chancel. Parents, please bring diapers and any snacks, formula as needed for your child.

Holy Communion

All baptized Christians are welcome to receive the Sacrament. If you have not been baptized, please come to the Altar rail for a blessing during Holy Communion (place your arms across your chest to signify your desire for a blessing). If you would like to be baptized, please speak with the clergy after the service. To receive Holy Communion, accept the bread in your hand and place it in your mouth, then sip wine from the Chalice when it is brought to you (guide the Chalice to your mouth please), or hold the bread, dip it in the wine when the chalice comes to you, and place the bread with wine in your mouth. If you are allergic to wheat or are gluten intolerant, please let the person serving bread know to give you a rice wafer.

Paul – Love Him or Love to Hate Him

Paul always seems to evoke strong feelings, positive and negative. He was, and is, many things to many people: Pharisee, saint, church planter, apostle, troublemaker, mediator, contradictory. The list can go on and on. On Monday, April 12, from 7:00 p.m. to 8:30 p.m. in the choir room there will be a one night discussion of our Paul. Whether you love him or hate him, come share your thoughts and insights. Questions? Contact Shirley Ratliff at shirley.ratliff@verizon.net or 703-444-1071.

The Standard First Aid, Adult/Child CPR/AED and Infant CPR class will be held May 22, 2010 from 8 AM to 5 PM. For more information, contact Ken Vierra 703-435-8504.

Going

Developers are finding gold in green. Going green has improved the bottom line, according to a 2008 study by McGraw-Hill Construction which found that green building cut operating costs by 13.6% and increased building value by 10.9%. Developers are using green building practices not only to save money and help the environment, but because of customer demand. Keep that pressure on the manufacturers and retailers! Tell them you want truly green and environmentally friendly products. When an office supply company tells you that their paper products are made from recycled paper, double-check the actual "post consumer" content and call their bluff if the post-consumer content is not a significant amount (say, greater than 50 percent). When a car salesman states that their car is energy efficient -- ask why they don't offer clean diesel vehicles or other low emission vehicles. A Message from St. Timothy's Steward of Creation - Craig Dubishar.
