Nursery

All children are welcome to stay with parents in the Sanctuary during worship. However, for parents of children ages 0-3 years who want nursery care, we have a well-equipped and professionally-staffed nursery at the end of the hall nearest the Sanctuary. Each child brought to the nursery is given a number; only the parents of the child can take the child from the nursery. If a parent is needed during worship, the child's number will appear (in red LED's) on the black panels beneath the hymn boards on both sides of the Chancel. Parents, please bring diapers, any snacks, and formula as needed for your child.

All baptized Christians are welcome to receive the Sacrament. If you have not been baptized, please come to the Altar rail for a blessing during Holy Communion (place your arms across your chest to signify your desire for a blessing). If you would like to be baptized, please speak with the clergy after the service. To receive Holy Communion, accept the bread in your hand and place it in your mouth, then sip wine from the Chalice when it is brought to you (guide the Chalice to your mouth please), or hold the bread, dip it in the wine when the chalice comes to you, and place the bread with wine in your mouth. If you are allergic to wheat or are gluten intolerant, please let the person serving bread know to give you a rice wafer.

Happy Birthday To You!!!

Gifts to Glorify the Lord “Did You Know ...?”

... that our current Tracker pipe organ was originally built in 1870 for a small church in New England?

It was brought to St. Timothy's in 1972 and was retrofitted for worship services that took place in Henry Hall at that time. When our current sanctuary was consecrated in 1982, the Tracker organ was again retrofitted into the space where it is now played every Sunday in support of our worship services. Although our organists over the years have done their best to maintain the instrument, it now requires ever increasing repairs with parts that must be custom built since the manufacturer is no longer in business. For more info on the state of the organ, take a look at the photos in the binder on our campaign table in the Narthex.

Collaborate across faiths to develop “next steps” to improve water quality in our communities during the coming year.

General Announcements *(continued)*

Join Us For A Special Visit From Bishop Shannon Johnston!

At 2:00 p.m. on November 24, Christ the King Sunday, Bishop Shannon will be with us for a special confirmation service. Four young people will be confirmed, one adult will reaffirm his baptismal vows and 13 adults will be received into the Episcopal Church! 11 of those scheduled to be received are from our Spanish speaking congregation, La Vida Verdadera, which meets at Saint Timothy's on Saturday evenings! This congregation will join with us and participate in the service. There will be a reception following the service. Please email Rev. Leslie Chadwick at lesliec@saint-timothys.org if you plan to attend the reception; include the number of adults and children attending from your family so we can plan for refreshments. We hope you will join us for this special occasion in the life of our church!

Ecumenical Thanksgiving Service

After spending time at our Special Service with Bishop Shannon on November 24, feel free to head over to Holy Cross Lutheran Church for an ecumenical Thanksgiving service at 4 p.m. All offerings will go to support LINK. This would be a great way to round out a day of celebration!

Lakota Mission Trip 2014

Thank you for your support and generosity as we've fundraised for the upcoming trip to the Pine Ridge Indian Reservation in South Dakota. We will have another native craft sale on December 8, 2013 in Henry Hall during all three services' coffee hour. Please stop by!

For those who may be thinking about traveling with us, we will have an information meeting in January (but you can ask questions of us any time!). The dates are May 10 - 17, 2014. The cost is yet to be finalized but last year it was \$850 per person. There are no skill requirements, willing hands are all that's needed! Again, thank you for your support. We look forward to sharing God's love with the Lakota people again in May, on behalf of all of St. Timothy's. Contact Tina Pinkard with any questions – mapnbuild@verizon.net.

Food Pantry

Please think of the pantry when shopping this week. Proteins (canned chili, canned tuna, canned chicken, etc.) are a popular item. Also, diapers of all sizes are a regularly needed item. **Thank you!**

From the Stewardship of Creation Committee...

IT'S BEEN HARVEST TIME IN GOD'S CREATION

Farming is in the personal histories of many of us in our congregation. Some of us grew up on farms, or we came from farm families, or we spent wonderful summers on the farms of relatives, or we lived our childhoods in rural areas. There was a time in America when farming was connected with almost every family in one way or another. Yet regardless of our personal histories – farms and non-farms – nowadays all of us living here in the beautiful Northern Neck of God's creation are fully aware of farming.

It's all around us all year long, from the harvesting of winter wheat and barley and the planting of mostly corn and soybeans in the spring; through the application of fertilizers and pesticides to cropland during the summer; to the harvesting of crops in the fall; and the planting of winter wheat and barley for reaping the following spring – starting the entire cycle all over again. We watch huge farm machines being used to work the crops, often slowing traffic on our roads as they're moved from field to field.

Agriculture has been part of Northern Neck life for hundreds of years, and part of humankind's experience for millennia. We welcome all of this farm activity because we know it's so vital to the local economy and to life, itself. Indeed, in his “Parable of the Seed” at Mark 4:26-29 in the Bible, Jesus compares agriculture – planting, growing, and harvesting – with the Kingdom of God.

Jesus says: “The Kingdom of God is like a man who casts seed upon the soil; and goes to bed at night and gets up by day, and the seed sprouts and grows – how he himself does not know. The soil produces crops by itself; first the blade, then the head, then the mature grain in the head. But when the grain permits, immediately he puts in the sickle, because the harvest has come.” So when you think about farming on the Northern Neck, also contemplate Jesus's “Parable of the Seed” and the importance of the Kingdom of God in our lives.
