## God's Presence in Spirit

—Fr. Brad

We are now in the long season of Pentecost, the season of the Holy Spirit. From mid-May to the end of November we celebrate God's spiritual presence and activity. The Holy Spirit is the agent of creation, the breath of God, animating all life. It or she (it is never referred to in Scripture in the masculine) is a holy fire burning away human impurity, sanctifying God's people for service. The Holy Spirit is our constant companion and guide. It or she is the giver of gifts for ministry.

According to Scripture God's Spirit is present and communicates with us in a variety of ways - inspirational dreams and visions, that soft but clear internal voice, wisdom passed on to us through other people, spiritual and sacred writings, inspiring music, the beauty and majesty of creation, the Sacraments of the Church, and the very air we breathe.

Some theologians speak of "three ages" or epochs. The first was The Age of God. From creation (after "the Fall") to the birth of Jesus, God was manifest through divine messengers, inspired leaders, and prophets. The second was The Age of the Son. From the Incarnation to the Ascension, God was manifest in human form, in the particular person of Jesus the Nazarean. The third is the Age of the Spirit. In this age God is manifest in the Holy Spirit. We live in this third age.

Eventually we will know God "face to face", unmediated as when God was present with Adam and Eve in Eden. This will begin in the End Time, when the kingdom of God is fulfilled, when the reign of God is complete. For now, we give thanks for God's presence in Spirit, for guidance and inspiration, and for the gifts we are given to share the love of God.

## Summer Schedule

For this summer we will keep our regular Sunday worship schedule of 8:00 am, 9:30 am, and 11:00 am services. Our Sunday school teachers and choir members will resume their ministries in September. We also have a service every Wednesday at 12:15 pm. Many of us will be taking time out, going on vacation, getting away on weekends, but it is very important that we not neglect

our spiritual nurture. Of course God is with us when we are at the beach, the mountains, or the golf course. But there are peculiar ways of experiencing God in Church that does not happen any other place or time. We need to hear lessons from the Bible, reaffirm our faith by reciting one of our two creeds, sing hymns, participate in communal prayer and confession, and receive Holy Communion. During your periods of recreation this Summer, don't forget re-creation for your soul.

# Youth Group Participates In "Taste of Scuba"

Thanks to Ken Vierra, "taste of scuba" was a HUGE success. "Taste of scuba" is an intro course to the world of scuba diving. It is a fun, easy experience that gives those involved a taste of what it's like to scuba dive without the overwhelming pressure that can come along with it. Scuba was surprisingly relaxing and simple. We learned the basics such as a few fundamental hand signals. "Are you OK?" was answered with a simple gesture on countless occasions to get students use to communicating through hand signals.

In the beginning it was hard not to feel nervous and vulnerable. Later though, things got easier and more exciting. We were able to 'explore' the feeling of scuba in a safe environment which made for a peaceful transition.

Aside from having a good time we learned a lot too. Mr. Vierra's commanding teaching skills made it easy to pay attention and soak everything in. Sometimes it could be frustrating despite it all though. Running into lane ropes with our oxygen tanks was a common occurrence but we were assured that it was "OK" and "Totally normal". That made it easy to laugh it off and continue on.

In the end, this session was fun and educational, and it made me want to learn more about the sport of scuba diving. We had a blast and I can't wait to be involved with more scuba!

## Advocates Needed to Reinforce Rights

Are you diplomatic, assertive, and a good communicator? If you enjoy meeting people, particularly the elderly, and can serve during the weekday, the volunteer ombudsman position may be for you! Volunteer advocates are needed to make weekly visits to local nursing homes and assisted living facilities. Using the skills of **listening, observing** and **mediating**, the ombudsman works with the residents, their families and the staff of the facility, to ensure that the residents' rights are being protected. Volunteer Ombudsmen dedicate four (4) hours per week to this work, for one year. Interviews of applicants will be held during the summer. The next annual training session is scheduled for **September 12, 13, and 23, 2005** from 9:00 a.m. to 4:30 p.m. each day. Following assignment, ongoing training and support are provided. The Northern Virginia Long-Term Care Ombudsman Program is primarily funded by the Area Agencies on Aging of the City of Alexandria and the counties of Arlington, Fairfax, Loudoun, and Prince William. For further information and an application, please call (703) 324-5861 or (703) 324-5435, or visit our website: [www.fairfaxcounty.gov/ombudsman](http://www.fairfaxcounty.gov/ombudsman). To request accommodations or alternate formats, call 703-324-5435 or TTY: 703-449-1186.

## Save The Date! VBS is Back!

St. Timothy's will be holding Vacation Bible School this summer the week of **August 1 - 5**. The theme this year will be *Safari Adventure: Discover Jesus the King*. As kids journey on a photo expedition of wild safari animals, they will learn that Jesus is King! Lessons will include following Jesus, being unique, never giving up and more, all based on beloved Gospel stories. Ages 2 1/2 (potty trained) through rising 6th Graders are welcome. Registration is \$20 per child, with a maximum of \$50 per family. The registration form is provided on the next page and will be available starting Sunday, June 5th in the narthex.

Also, we need volunteers! The Safari Adventure can't happen without YOU, so consider volunteering to help out — we will need teachers and on-site volunteers, but we will also need parents who can help from home, too. Volunteer applications will be included with the registration forms, or call Marybeth Henry at 703-742-6694.

## Meet Your Junior Warden

Bill Sanger and his family have been members of St. Timothy's for over 15 years now and he is currently serving on the Vestry as the liaison to Hospitality. Bill currently, in addition to the Vestry, works closely with the Finance Ministry and the Hospitality Ministry. He also sells script, works in the office helping with the vouchers and ushers at the 8am service. Bill was Treasurer for 4 years and he helped draft the Columbarium guidelines and the Bylaws for St. Timothy's as well as those for the Endowment Committee.

In 2005 Bill was elected Junior Warden and he has served on the Vestry before and found the ministry very rewarding. His goals for this coming year, "In the next year, I hope we can overcome our financial problems, increase our member base and grow spiritually, as a church. I would also like to see us continue to develop our outreach programs. Within the next five years, I hope we can have a youth minister, an expanded education program and a more diversified congregation."

One of his favorite parts about being a member at St. Timothy's and makes him smile is the people of St. Tim's, "especially the babies and small children, and their joyous attitudes." Bill adds.

When asked, what one thing about himself 'What would you like to have people know about you?' Bill answered, "Nothing about me personally, however, I think it is important to remind all of us that what makes St. Tim's tick, are the people and how each person's contribution of time and talent is what makes us a living church. We all need to be involved to make the church a real home. Hosting a coffee hour, or even just going back to the coffee hour and mingling with people, can make a big difference in how our church is perceived and how much we, individually, get from the church." Bill concluded by adding, "Being active in the church is a great experience, in itself."

# Letters from Lakota

(A series of letters from the St Timothy's Lakota Team)

## Days 1 and 2 (May 14 & 15)

We arrived in Pine Ridge, Saturday evening, safe and sound, and happy to be back here. Pastor Larry Peterson, the Lutheran pastor that runs the Pine Ridge Retreat Center, is much the same as ever – with boundless energy and an enormous heart. He tells us he has lived here on the Pine Ridge Indian reservation for 13 years. (Most of us estimate that we wouldn't last longer than two weeks!) This year, Larry has a seminary student, Linda Webster, joining him. Linda is doing a one year internship and we're sure she is a big help to Larry. Our accommodations are welcoming and familiar since all five of us have stayed at the Retreat Center at least once before. We are certainly not roughing it – hot showers and beds with homemade quilts – what more do you need?

Our flight from Dulles was delayed so we had to make a mad dash through the Denver airport to catch our connecting flight. I think we had all of ten minutes to run through the terminal. Thank heaven for moving sidewalks! All five of us AND our luggage made the flight and we landed in Rapid City on time. After picking up our rented Durango we headed for a tourist stop in Deadwood. We had told Larry not to expect us until after dinner. We had our first

When we left Deadwood we made the long drive to Pine Ridge and while Jackie drove and Jeanne navigated, Ralph serenaded us with many old favorites and Hugh and Janet watched the “buffalo roam” and the “deer and antelope play”. After greeting Larry and Linda at the Retreat Center we discussed plans for the week and had evening worship.

Where the antelope play!

Holy Cross Episcopal Church

Sunday morning, we were up early for breakfast and then walked the two blocks to Holy Cross Episcopal Church for the 9:30 service. The new Episcopal priest, Father Pat, is not native and recently relocated from L.A. – quite a culture shock we're sure! He's commuting now from off the reservation but will shortly be moving into a house in Porcupine (on the reservation). Two years ago some of our team helped remodel the bathroom in that house when Cordelia White Owl lived there. After the service we joined the congregation for coffee and donuts while the Vestry met at the next table. We noted that Vestry matters don't differ much - they were pricing new water heaters and discussing plumbing problems!

After church we shopped at Sioux Nation, the only major grocery store on the reservation, which is conveniently located across from the retreat center. We had some sandwiches and baked a cake for the children who come in the afternoon. From 3:00 to 4:30 PM every day, Larry invites the children to come and have playtime and a snack. We all enjoy this opportunity to spend time with these youngsters, hear their stories and play games with them. They always make our visits so much the richer for knowing them. After the children left, we drove to the site of the massacre at Wounded Knee. It is always such a sad story to hear and the site of the mass grave is so touching. Larry talked about Lost Bird, one of the child survivors of the massacre, and recommended a biography of her life.

Playing Monopoly

We returned to the retreat center and made spaghetti for dinner, had evening worship, in which Larry “tried” to teach us to sing a Lakota hymn to Ralph's accompaniment on the keyboard. It's been a busy two days and we're looking forward to going to the work site, on Basil Braveheart's property, tomorrow morning.

Blessings to everyone –

# Announcing The Shawl Ministry at St. Timothy's!

This new ministry is being formed for the purpose of creating loving warmth for people in turmoil, for people who have reason to celebrate and for people who don't necessarily know that they need a "good, permanent hug!" Are you interested in learning how to knit or crochet? Come join us on Thursdays at 7PM in the Upper Room. Someone will be on hand to help you learn these crafts (we start out small: a scarf for the Angel Tree, and then move on to shawls!). Attendance is not necessary every week – come when you can.

If you know someone who would be comforted by receiving one of our handmade creations, please see Jackie Clattenburg, Janet Dopsovic, Donna McGrath, Susy Nixon, Jeanne Rick, Jean Shepherd, or Florita Tilden or fill out a form located in Henry Hall.

### A SHAWL PRAYER

This shawl has been created for: \_\_\_\_\_

by: \_\_\_\_\_

Let us pray this blessing:

Be well . . .

Be warm . . .

Be loved . . .

Be comforted . . .

On this day, and around our gathered circle, this shawl has been passed through our praying hands and been blessed by our loving hearts.

## Youth Group News

### Dungannon Mission Needs Your Help

Adult participants/drivers and large cars/vans are needed to get the more than 28 volunteers plus luggage and tools to and from Dungannon this year. We are in need of a couple of adults with vehicles to consider staying for the week or some part and help transport teen/adult teams to the various work sites. Some of these work sites could be up to an hour away from where we live in the old sewing factory. Even if you can participate in only part of the week, maybe someone else could do the other part. Please consider helping out our youth in their 8th year of this mission to Dungannon. If you can volunteer your services and vehicle please contact Ken Vierra at KenVierra@aol.com or via phone at (703) 435-8504.

### Participate in 30-Hour Famine Event?

A sign-up list is posted in Henry Hall to determine if teens are interested in participating in a 30-Hour Famine event, which we might schedule for the Fall. If you think you are interested in participating in this please sign-up so we can plan the event should there be enough interest.

### Car Wash – Next Sunday

The annual Youth Group hosted car wash is next Sunday June 5<sup>th</sup>. Have your car washed while you attend church. All donations help support the general activities of St. Timothy's Youth Group. Teens need to sign-up in Henry Hall to help. Thank you for your support!

**Congratulations to all our graduates!**

### Accessibility Assistance

Anyone needing accommodations for a disability in order to attend or participate in any St. Timothy's activity should call Pam Lowe of the Accessibility Ministry at 703-262-0044. Calls should be made seven days prior to the activity so that appropriate arrangements can be made. If you would like to participate in this ministry by providing transportation, please call Pam.

## Stewardship Notes

Please be aware that the Stewardship committee is focusing on reducing the current \$200K line of credit debt prior to refinancing in August 2005. The line of credit is a carryover from the construction and is separate from our mortgage loan. If you would like to support this campaign then please note "Debt Reduction" on your check and your donation will be applied to the principal of the loan. However please do not reduce your general pledge to support this effort. Contact Matt Maginniss if you have questions at matthew.maginniss@us.ibm.com.

## Nurturing Parenting Program

On May 12<sup>th</sup>, Fairfax County honored all of the organizations that have volunteered their assistance in the Nurturing Parenting Program, which is held here at St. Tim's on Tuesday nights. The Program is currently in its third session, this time serving the needs of Hispanics. The fourth session will begin in September and will focus on families raising African American children and the unique parenting challenges they face. So far, about 30 families have come here to attend the Program.

The Program helps families of all walks of life learn to build happy, healthy interactions, and St. Tim's has played a large part in providing the space the County needs to run the program. Several of our ministries participate in catering dinner and providing baby sitting for the Program. These ministries include The Service Ministry, The ECW, and the Confirmation Classes.

Participating St. Timothy members: Jackie Clattenburg, Sheri Bobko, Fr. Brad, Janet Dopsovic, and Helen Guest.

For more information on how you can help with this important program, please call Janet Dopsovic at 703-391-9633.

## News From Boy Scout Troop 159

### WATERY CHALLENGE RE-QUIRES RAPIDS RESPONSE

Scouts from St. Timothy's Troop 159 paddled their way through one of their most exciting outings of the year late last month — the family canoe trip on two mighty Virginia rivers. The two day adventure started when the roosters crowed Saturday morning. Scouts and leaders took off down the Rapidan, enjoying the quiet scenic beauty away from traffic noise and polluted air. Saturday night was spent camping under the stars near the Rapidan's confluence with the Rappahannock. Sunday morning, scouts set afloat down the Rappahannock for an exhilarating end to the weekend.

Moving from spills to thrills, the scouts this month are planning some royal recreation at King's Dominion. This campout could really have its ups and downs! Want to get in on the fun? Join Scouting! Contact Scoutmaster Rob Carter at 703-471-9069.

The pre-school children closed out the school year by learning about topics that included the "The Wild West", "The Farm" and "Island Fun". In art, the kids created cowboys, sheep, and fish, and in science, they learned about the importance of weather vanes to farmers, among other things. The last few weeks of school contained many fun and diverse learning experiences.

In addition to their units of study, the kids also worked diligently to prepare wonderful performances for the Mother's Day Teas. They sang, with hand motions, favorites such as "I'm a Little Tea Pot", "You are My Sunshine", and "Skinamarink". What a treat for the moms!

The pre-school parents hosted a lunch in May to show their appreciation for everything the teachers and staff do for their children throughout the year. Many parents contributed delicious sandwiches, salads, drinks, and desserts, as well as beautiful table decorations to make the event special. The teachers' many talents, along with Helen Guest's leadership, make St. Timothy's Pre-school a terrific place for our children to learn. Thank you teachers, and Helen, and thanks to everyone who supported the pre-school through fundraisers or by giving time and talent during the 2004-2005 school year!

There are many activities at St. Tim's and it just seems to be a growing period for us. In the office we see evidence of growth with a 2-3 family/month increase on the mailing list. Where are you going on your vacation? Send us a postcard to the office and we'll put it in the newsletter. Enjoy the Summer!
